I wanted to write and thank you so much for expediting my order. The bracelets were more than I had hoped and everyone loved them. You made the celebration of my husband's birthday a memorial one. W.P.

I received the memorial bracelet in the mail today for Lcpl Eric J. Orłowski USMC. It brought tears to my eyes, I would like to thank you for not only the quality craftsmanship, but also for the clear dedication you folks put into honoring the memory of a inspiring marine who I had and will always have tremendous respect for. I hope you take great pride in the service you've provide for us to never forget and to live their sacrifice. Very Sincerely, M.P.L

I received the bracelet that I ordered from you to give to my youngest son as a memorial for his oldest brother, killed in the swarm of tornadoes earlier this year. My oldest son was a 19-yr police veteran, had received 2 medals of valor, and died saving his 9 yr old daughter as a 125-ft tree came crashing through their tent. That was his nature....to put himself out there to save even though it took his own life much too early. My youngest has felt the unintentional pangs from others of feeling that his loss throughout this is minor....but it is not. It is just as big, even if from a different perspective. I am hoping that the words on this bracelet will let him know that. The bracelet is so awesome and it is wearing my patience because I have not been able to give it to him yet. Can't wait to see his face when he does! Your work is totally professional looking...no misspellings, no gauges....it is just perfect! Thank you so very much for having such skilled craftsmen! P.C.

I love ya'lls work and just wanted to thank you for all the times you have given me and my unit your services. Its no wonder why everyone i know always order from you. The bracelets help more than you would ever know. Thanks again! Sincerely, SSG C.E.

Thank you again for taking the time to look into my order. Your customer service has been remarkable. I have received my bracelet, which I am extremely pleased with, and have recommended you to all of my friends. Thank you again! Sincerely, P.G.

I have to say I am totally impressed with your company. Every single time I have asked a question and now, with this order I placed, you have been almost immediate in your responses. Keep up the good work. Have a great weekend. CR

My silver memorial bracelet arrived on Saturday and I haven't taken it off since. It is as lovely as I had hoped it would be and I thank you ALL so very much for making these beautiful tributes to our loved ones possible. With gratitude LG

My name is T E and I just received my KIA bracelet that was made for a very brave man who died beside me in combat. We were United States Army Paratroopers together and he died saving my life in Fallujah, Iraq. This bracelet you sent is outstanding. It exceeds all of my expectations and I am very great full that people like you provide such a patriotic service that helps honor our nation's fallen. Keep up the great work and thank you for giving me something to honor him with.

God Bless

Hi I just wanted to say the bracelets I ordered look GREAT!!! and just in time for the holiday. Thanks again

I just got back from a trip and found the bracelet delivered. Thank you so very much for your response and personal involvement. It felt very good to know that in spite of national saturation with below average media coverage of the conflict there are still Americans out there that appreciate the servicemen and women for what it's worth. Additionally, this new stainless steel bracelet looks simply amazing and while its shininess does not give it a discreet tactical appearance it is gorgeous and durable, precisely as it should be to commemorate the great individuals whose names are inscribed on it. I was simply touched by expedient response, personal communication and the fact of yourself and your company going out your way to address issue of non-fitting text and sending a completely free replica of the original. Living in the NYC and in a contemporary world in general, I suppose I did not completely believe that I will actually be getting a much better stainless steel version of old bracelet all free of charge and bypassing the symbol number restrictions until it arrived. I want to thank you from all my heart, as this bracelet will serve its purpose for many years to come. When my son grows old enough to hear the adapted version of our tour in "The Triangle of Death" I will be starting the story with this piece in my hands.

thank you so much I just went to the mail and it was in there! You did a fantastic job and I will be showing it to all of my military friends and family thank you so much!

I would like to extend to you as a company my appreciation of the service you provided me when I ordered a KIA bracelet. When I received the bracelet, I did not expect the level of service I got, the item itself is 1st class, as the engraving is smooth and even throughout. Second, the single act of your company placing the bracelet in a small velvet bag told me that this is a company that respects the name that it places in the mail and not just another dollar in the bank. I will never shop elsewhere. Thank you.

I just wanted to say thanks so much for this bracelet you got to me before I deployed it means so much! All I can say is you guys and your flawless work rock! Thanks so much! God Bless!

I received my bracelet today and wanted to thank you for such an excellent job! Your work and the quality of the bracelet far exceeded my expectation!! I will Wear this with great pride while my husband is deployed.

Thank you!!

Thank you very much for the work you do! I have worked with several other companies, none of which provide the quality that is desired and proven by Battlezone!

Just thought I would let you know that my Dad was VERY happy with his order and to have found your website. It brought a smile to his face that I haven't seen in a while. Keep up the good work!

Dear Sir:
The order looks great.
Look forward to getting these for current members of my family in the USAF.

I have one of the blue bracelets and I wear it whenever I can. Is it possible to have the USAF Crest/Seal on each end of the bracelets I ordered here?

The Crest/Seal appears on both ends of my blue bracelet that I ordered last year (as I said above, the one I wear) and I think that is such a good addition to the bracelet.

Thanks for the beautiful work and the service to all of us military personal.
Sincerely, Capt S.J.L. USAF

you guys are the best!!! ☺ Thanks again,
J.S.

I shall continue to be a big fan of your company, and will inform other veterans and relatives of the excellent service that you provide.

Damn you guys are good! Happy New Year to you too! E.B.

I couldn't be more pleased. Thanks a million! Best regards, A.T.

Sir/mam, I am a former Marine and a VERY well pleased customer. Time and time again I have turned to your service. I have NEVER been disappointed. J.S.

Your service was superb- and that is an understatement considering the miscues I made and the delays they produced. I will gladly recommend your site to my friends. Thank you so much. B.H. USN Ret

Have you ever seen a grown man cry?? Thanking you from the bottom of an rf-4c!! T.C.

Hey guys – Just wanted to say thank you again for my bracelet. It is FAR superior to the photos on the website and I couldn't be happier! To be completely honest, I actually cried when I first opened the package and saw it. :)

I've had a number of family and friends ask about the bracelet. And ask where I ordered it from (so, of course, I shared the website address!). My Mom told my brother about it, and he and my sister-in-law (both in Iraq) were "more than honored" by it and thought it was such a cool way to show support for what they are doing over there.

I have not removed the bracelet since the day I put it on. :) It means the world to me. Thanks so much. W.B.

In your line of work, I'm sure you know what these orders mean to those of us ordering your product. Your customer service is second to none and I will be sure to recommend your company to all my Army buddies. I must say the quality of the product is top notch. I have not seen this kind of quality in other companies products. I was surprised with how heavy gauge this bracelet is. I have seen and even acquired others that are so thin and flimsy that they bend too easily and are subject to fall off and get lost of the wearer isn't mindful. The thickness also allows for your deep etching that should stand the test of time (my father gave me an old POW/MIA bracelet that he had and I'm afraid to wear it due to the fact that I've come close to losing it a time or two and the anodized finish and etching are so badly worn it's almost unreadable. Obviously, it isn't one of your products.) One of Spc Johnson's other battle buddies has gone thru three KIA bracelets in his honor from three other companies. He will be the first one I recommend you to after I show him mine.

In short, thanks for the great product and outstanding customer service.
